"Let the Gold Dust Twins do your work" is much more than a popular phrase. It is based on truth, an actuality, for Gold Dust really works.

The millions of women who use it for dishwashing and scrubbing know this. But Gold Dust should be used for cleaning and brightening everything. It is the only washing and cleaning powder needed in any home.

The small quantity required is quickly taken up by hot or cold, hard or soft water—forming a perfect cleaning solution. The valuable antiseptic cleansing agent if contains helps to make things sanitarily clean, as well as bright and new-looking.
